RIGHT TO HEARING

The North Dakota Department of Human Services (department) provides an opportunity for a fair hearing to any person whose claim for assistance is rejected or not acted on promptly or if action is taken to deny, suspend, terminate, or reduce services.

You may request a hearing if you believe the department made an error in the decision to reduce, deny, or terminate services.

The request for a hearing must be made within 30 days from the date of the receipt of the Reduction Notice on page one, Section V, of this form (SFN 662)
or from the date of the receipt of a completed Notice of Reduction, Denial, or Termination form (SFN 1647).

If the department's decision reduces or terminates a service you were already receiving, and you request a hearing before the effective date of the Reduction Notice in Section V of this form (SFN 662) or the effective date on the Notice of Reduction, Denial, or Termination Form (SFN 1647), services can continue until a hearing decision has been made.

If you withdraw your request for a hearing or the hearing decision is not in your favor, the total additional cost of those services provided after the termination date will be considered an overpayment and you will be responsible to pay those costs.

The purpose of a hearing is to give you an opportunity to show that the action you dispute was due to an error on the part of the department. Established program limits are a matter of federal law or state law or department policy and are not errors.

You may have an attorney, relative, friend, or other person assist you with your hearing. If you do not have money to pay for an attorney, you may contact a free legal service organization. The department has available a listing of legal service organizations.

To request a list of legal service organizations or instructions on how to request a hearing, call 701-328-2311 or send a letter to:
