Advocacy

Interim Human Services Committee and Behavioral Health

ALL MEMBERS

An Ad Hoc Committee of some of our members met on Feb. 1st with NDHA and some of their members, Pam Sagness with DHHS-Behavioral Health, Dr. Yabut with the State Hospital, and Dr. Cramer, the Clinical Director for the HSCs. We came together to address the increasing need for behavioral health services across the continuum as we are seeing more and more complex needs in the geriatric population and limited access to services in all settings. Our task was to

identify a few areas to share with the Human Services Committee for potential legislative action during the 2025 session. Our next meeting is in the process of being scheduled. If you are interested in contributing to the conversation, please reach out to Nikki at nikki@ndltca.org.
